You Shop. Amazon Gives.

This year, when you shop for Christmas gifts, we encourage you to use AmazonSmile (smile.amazon.com) and to designate the St. Isaac Jogues Conference of the St. Vincent DePaul Society as your Amazon Smile charity. By doing so your purchases will provide essential needs such as food, shelter and housing and much more to the poor and those in need in our own parish and community.

AmazonSmile is a website that lets customers enjoy the same wide selection of products, prices, and shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by customers. There is no cap on the amount Amazon will donate and almost every physical product sold by the company is eligible, which means tens of millions of items.

On your first visit to AmazonSmile (smile.amazon.com), you need to select a charitable organization to receive donations from eligible purchases before you begin shopping. Amazon will remember your selection, and then every eligible purchase you make at smile.amazon.com will result in a donation. *Amazon will not share individual customer information with any charitable organization you select to support through your shopping on AmazonSmile.*

Thank you for your support!
