

Sunday Dinners

**On January 28, 2018 from 3 to 5 pm
St. Isaac's will host its Sunday Dinner.**

The mission of this program is to reach out to families in need or homeless people to provide a Sunday dinner, an afternoon out filled with friendship and fun for a few hours.

Please reach out to anyone you might know who would enjoy an afternoon out and a good home cooked meal or maybe they cannot get out and you could deliver one to them. Some of our neighbors are hurting and we need to help them - what better response to our mission at St. Isaac's: to be all we are called to be!

Our RFPO Families will be hosting this dinner and invite your participation by providing fresh fruit and vegetables for our guests to take home. Also donations of bottled water, canned soda or decaf coffee are helpful as are sterno cans.

If you or your family would like to help with these supplies please contact mguellichjersey@yahoo.com by January 15, 2018. Donations may be brought to the Hall on January 28, 2018 by 2 pm.

Blessings!
